DESCRIPTION

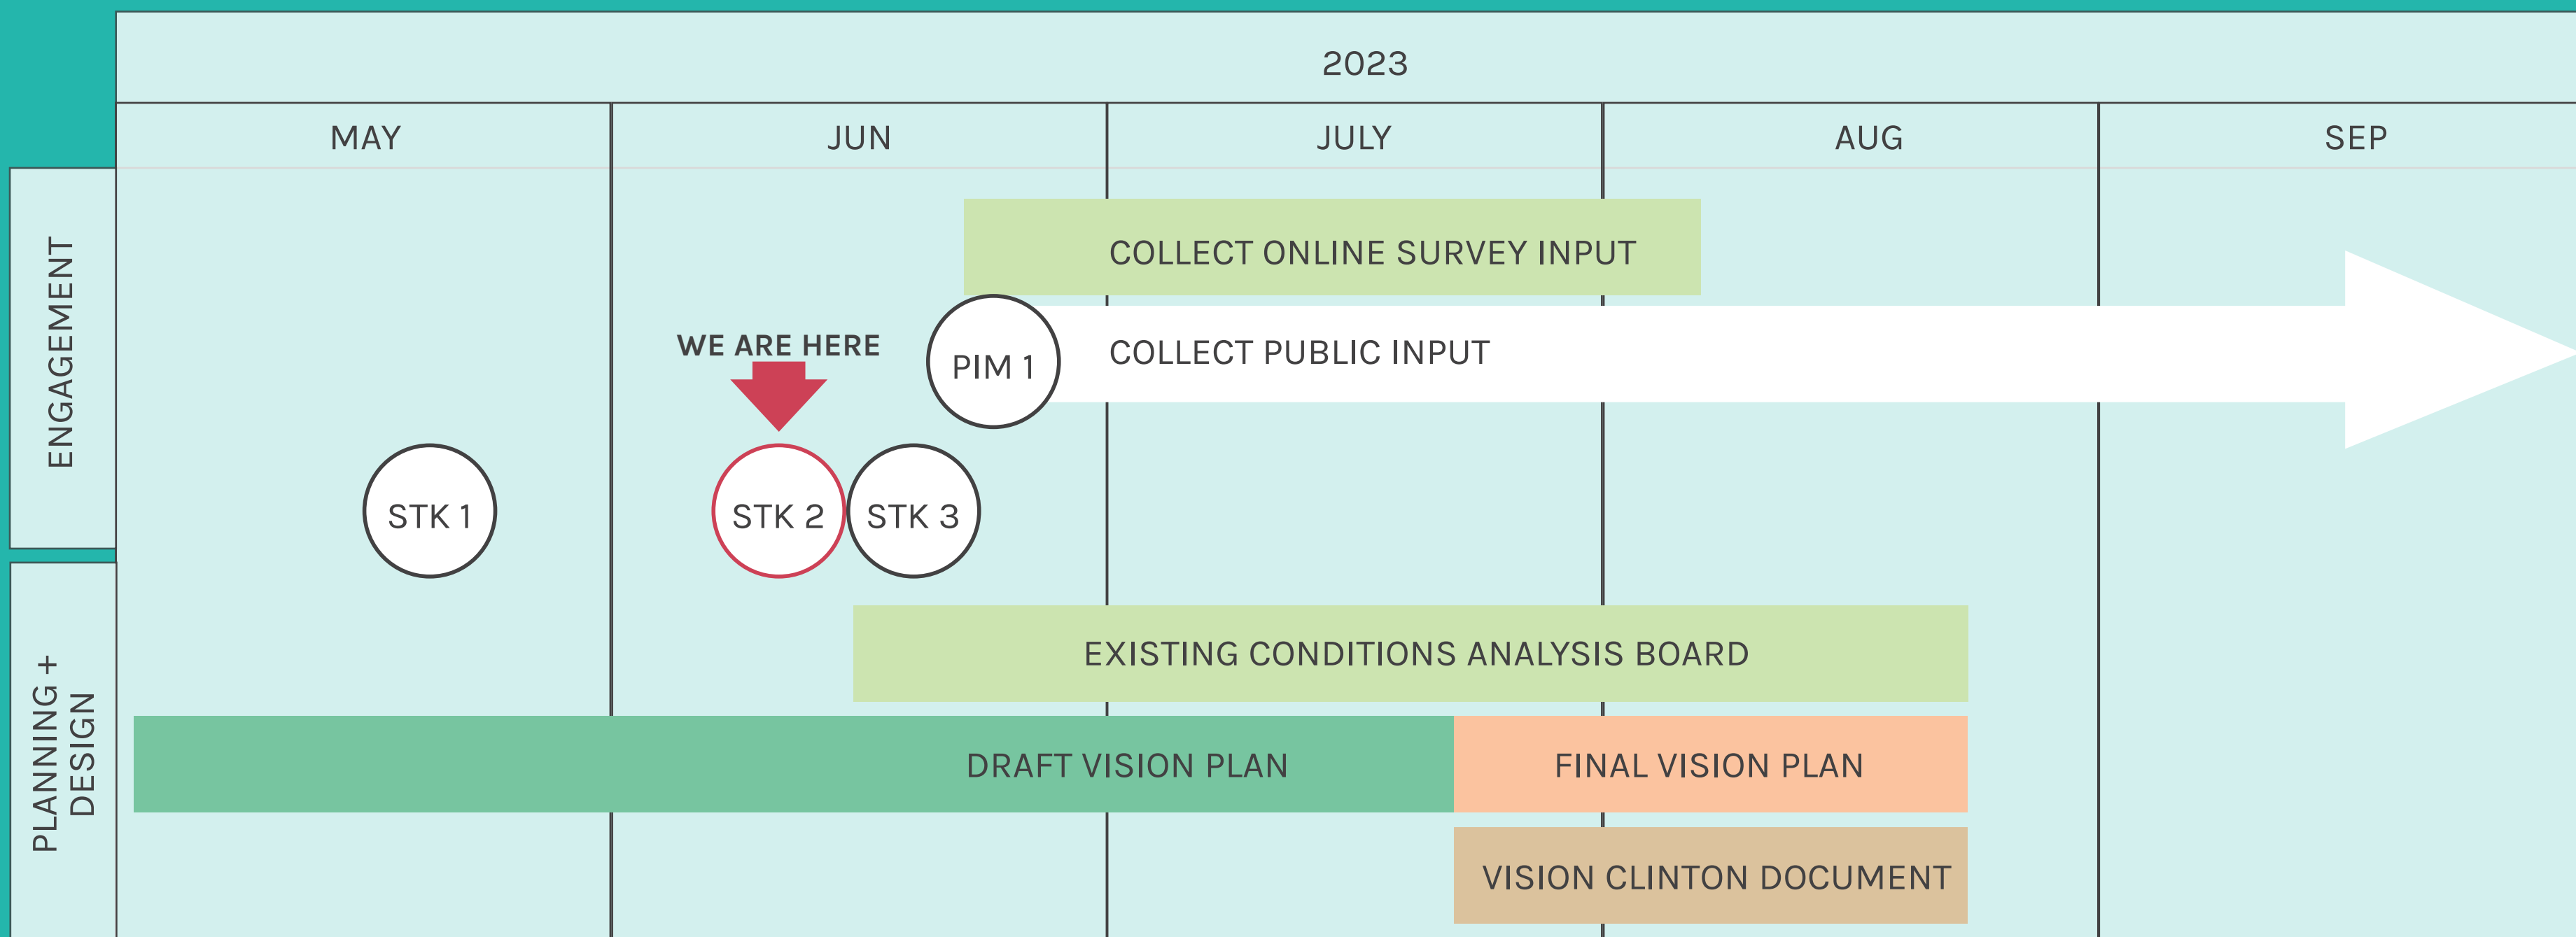

The Riverfront Development Study will include a comprehensive development approximately 3 miles of Riverview Drive, Discovery Trail, and Willow Island. The study will address land use, engineering and infrastructure investment, trail connectivity access to the river and relevant facilities such as retail, entertainment and housing. The goal is to detail riverfront development strategies and implementation steps to initiate a world class downtown riverfront district.

PROJECT AREA

1. 25th Avenue North to 32nd Avenue North—undeveloped north area
2. 19th Avenue North to 25th Avenue North—north river drive area
3. 4th Avenue South to Willow Island—Riverview Park Area
4. 6th Avenue South to 4th Avenue South—Downtown adjacent area
