September 25, 2019 by Hung Nguyen

You can also read this article in [Portuguese](#) and [Spanish](#).

Online JPG to Word converter to save images to Word docs for free. Join 25+ million monthly users today; no registration or download is necessary.

Have you taken a photo or scanned a document that you wish to edit in Microsoft Word?

Worry not - this is not an intricate task to carry out! Smallpdf is fully compatible with both JPG and Word formats. With our tools, you can easily convert JPG to Word documents within a few seconds, free of charge.

How to convert JPG to Word online :

1. Go to our online [JPG converter](#).
2. Upload your JPG file, which the tool initially save as PDF.
3. Click 'to Word,' which will convert the file as a Word doc.
4. And that's it. Download your file.

Convert JPG to Word in a heartbeat! :)

CONVERT JPG TO WORD

Essentially, Smallpdf will first save the image format from JPG to PDF, before converting them to Word documents. With our fast, free, and efficient converters, this whole process to convert jpg to word docs should not take more than a few seconds. We have implemented processing competencies from the very best software libraries on the market; the image quality of your file will be preserved as close to the original photos as possible, regardless of whether the original is a scan or an import from your digital camera.

Manipulate digital documents to greater heights

Other than using the JPG to Word converter online, we also offer over 17 different tools to decrease your workload, when dealing with both doc files and the JPG format. Various blog articles will help to give you a headstart:

- [Scanned PDF to Word](#) - for when scans are in PDF format.
- [Word to JPG converter](#) - to reverse the process this article covers.
- [JPG to PowerPoint](#) - ever gotten printouts from uni?
- [Compress JPG](#) - reduce the file sizes of image files.

What will happen to my files?

Post-conversion, they will be available for download for an hour, and then we will remove them from our servers. This period should give you plenty of time to modify your file as a PDF document, before saving them back to your device. Smallpdf has one of, if not, the fastest speed when it comes to documenting conversions. Hence, the whole JPEG to Word conversion should never take more than a few seconds + clicks.

Convert JPG to Word on the cloud

Smallpdf converts documents for our users on the cloud. Thanks to this, you can access and utilize our tools freely from anywhere, at any time. In line with being a cloud-platform is the ability for our users to access Smallpdf from any operating system (Mac, Windows, Linux) and browser (Chrome, Safari, Edge, and Firefox). Modify, save, and enhance your documents in whatever way you wish!

JPG to Word in one, two, three clicks
